Illustrative Itinerary Highlights

1

Highborne Cay

The marina is home to Xuma, a beachside bar and restaurant perfect for easing into island time with a cold drink and fresh seafood. Just offshore, a short dinghy ride will take you to Allen Cay and its famous residents — the Northern Bahamian Rock Iguanas

2

Shroud Cay – A Lazy River Through the Mangroves

This uninhabited island is known for its mangrove creeks, particularly Sanctuary Creek, where the tide carries you on a natural “lazy river.” Visitors explore by dinghy, paddleboard, or kayak, drifting with the current through a maze of mangroves.

3

Staniel Cay – The Iconic Exuma Experience

Thunderball Grotto – An underwater cave system made famous in the James Bond film Thunderball. Pig Beach – A short hop away on Big Major Cay, this is where the Exumas’ famous swimming pigs live. Compass Cay – you can swim with docile nurse sharks in the marina.

4

Norman’s Cay – History, Wrecks, and McDuff’s

Once the notorious headquarters of Carlos Lehder and the Medellín cartel. Today, the cay is known more for its history and its iconic snorkeling site: a sunken Curtiss C-46 Commando plane that rests in just 10–15 feet of water. Encrusted with coral and home to schools of fish, it’s one of the easiest and most fascinating wrecks to explore in the Bahamas.

Two Ways to Charter

For the budget-minded who still feel catered to — or those who want to splurge and be pampered

All-Hands on Deck

Base charter rate + **actual costs**

Direct-cost provisions, fuel & dockage · Cook together

How It Works:

- ✓ Guests share cooking & daily cleanup
- ✓ Captain pitches in beyond core duties
- ✓ Provisioning & meal-planning help
- ✓ Airport pickup coordination
- ✓ Pay only actual cost of food, fuel & dockage

All-Inclusive w/ Private Chef

Base charter rate + **\$350** / day & \$100 pp

Just show up — everything handled

What's Included:

- ✓ Private chef
- ✓ All food & provisions
- ✓ Open bar
- ✓ Fuel, dockage & taxes
- ✓ Zero hassle, no hidden fees

Either way — a personal, bespoke experience the big bareboat charters can't match

There is a reason all Elysian's guests come back over and over

A fluffy, light-colored dog is lying on its side on a dark blue boat deck. The dog is looking towards the camera. In the background, there is a body of water, a small boat, and a large, green, hilly island under a blue sky with some clouds. A mast with ropes is visible behind the dog.

*Oh – one last thing - we're super
small-dog friendly, it's easy to
bring your pup to the Bahamas*
